Request for Long-term Confidentiality

Pursuant to Sections 0.457 and 0.459 of the commission rules, we hereby request that the following documents be held confidential long term:

- Block diagram
- Schematics
- Operational Description

These documents contain detailed system and equipment description and related information about the product which Vcom International Multi-media Corp considers to be proprietary, confidential, and a custom design and, otherwise would not release to the general public.

Since this design is a basis from which future technological products will evolve, Vcom International Multi-media Corp considers this information to be of benefit to its competitors, and that the disclosure of information in these documents would give competitors an unfair advantage in the market
