

# Lyrix Jive Bluetooth Speaker Manual

## Specification

Product Size:  $\Phi 62 \times H59$  mm

Weight: 90g

Loudspeaker: 40mm

Rated Power: 3W

Interface: Micro USB

Bluetooth Parameter:

Operation Frequency: 2.402GHz - 2.480GHz

Power Output ( Peak ) : Class 2/4 dBm

Receiving Sensitivity: -83dBm, @ 0.1% BER

Operation Range: Up to 10m

Battery Parameter:

Capacity: 400mA, 3.7V, Polymer Li-ion Battery

Music Playback time: 5-7 Hours at 70% volume

Charging Standard: DC 5V, 400mA

Charging time: 1.5-2 hours

Accessory:

USB charging cable, 1 piece;

User manual, 1 piece.

Certificate Of Conformity

Play via Mobile phone:

Activate Mobile phone' s Bluetooth-Search BT speaker-Find KTS-06 -Paring-Connect and Play

## Application

Be applicable to all Bluetooth devices.

IOS Battery Meter Available

## Troubleshooting

- ① Hands-free call is only available at BT connected status; Still, the phone call could be interfered with high frequency electromagnetism. People should try not to use this product under high frequency environment.
- ② Bluetooth is a bidirectional transmitting protocol; transmitting distance is highly related to audio player. Compatible BT players are recommended.
- ③ Some terminal players are without automatically switching play function. In this case, POP noise will exist in the interval of every 2 songs.
- ④ When BT transmitting devices cannot be connected, please delete the rest BT receiving devices name on the list. Re-activate KTS-06, re-searching and re-paring.
- ⑤ The sound performance could also be affected when BT transmitting devices is under poor signal environment, or under low battery capacity.

- ⑥ Waterproof: Only the silicone gel housing is waterproof, not involve the inner structure and components.
- ⑦ Charging via computer,also can use the mobile phone charger whose current is below 1A.

## Postscript

- Lyrix Jive is a cute girl with recognizable personality. She adores freedom, and loves singing. She is born with singing talents. She sings when sits, when walks, even when in bath. As all girls, she is dependent and would love to be protected. She loves to stick on you.
- She is irresistible with her mellow and delicate texture, also the convenient wireless Bluetooth. What the most extraordinary part is that she has a powerful secret weapon: Super Suction Cup. No matter where you are, she will always stick on you tightly and loyally.

### FCC Notice

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications or change to this equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
