Re: Request for confidentiality

Applicant: Fortiori Design LLC

FCC ID: 2AAT6001

To whom it may concern,

***Permanent Confidentiality***

Request is hereby submitted by Fortiori Design LLC to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Schematics**
- **Parts list**

Rationale for request for confidentiality:

Fortiori Design LLC has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

The fee for confidentiality has been submitted along with the fee for certification. If you have questions or need further information, please contact the undersigned.

Sincerely,

8/14/2013

Roger W Schmitz  
Chief Engineer
