Re: FCC ID: 2AAUJ-R001

To Whom It May Concern:

The following application is submitted on behalf of our client, Viableware, Inc. DBA TableSafe, Inc., for evaluation of their model RAIL2 for certification under FCC Part 15.225 and 15.247.

The RAIL2 includes a 13.56MHz RFID reader and a 2.4GHz WLAN 802.11b/g/n radio. The supplemental exhibits show an n mode and a BT radio but these transmitters are disabled at this time.

The RAIL2 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Sam Wismer". The signature is fluid and cursive, with the first name "Sam" being particularly prominent.
