JADAK Limited Modular Approval Request Letter

Date: October 2, 2015

Subject: Limited Modular Level Approval for FCC.

JADAK LLC would like to please submit the 2AAVI-HS2R9 for limited modular level approval for FCC.

We would like to get limited modular level approval on the entire 2AAVI-HS2R9 unit in order that our customers do not need to retest when they attach this device to their product as an accessory via a USB port.
