### FCC Part 15 Certification

Gentlemen,

Pursuant to 47 CFR 0.457(d)(1)(ii) and 0.459 we hereby requests permanent confidentiality of the following documents for the subject application:

Exhibit Type	Description
<input checked="" type="checkbox"/> Schematics	All circuitry of devices and component values
<input checked="" type="checkbox"/> Block Diagrams	Details of device showing the frequency of all oscillators
<input checked="" type="checkbox"/> Operational Description	Description of the circuit functions
<input checked="" type="checkbox"/> Turn up produce	All the power and frequency set up

Note: Exhibit types that are commonly held confidential are: (1) Schematics, (2) Block Diagrams, (3) Bill Of Materials, (4) Operational Descriptions. Any exhibit NOT granted confidentiality is viewable on the FCC website as soon as a grant is issued.

These documents contain detailed system and equipment description and related information about the product which we considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, we consider that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours sincerely,

*Signatory*
