

Antenna setup photo:

Table 4 Product coordinates

Product Coordinates
 A photograph of an antenna setup in an anechoic chamber. The antenna is mounted on a white foam block. A red laser line is visible, passing through the center of the antenna. A coordinate system is overlaid on the image: a red arrow points upwards, labeled 'Z'; a blue arrow points to the right, labeled 'X'; and a green circle with a white 'X' is labeled 'Y'. The background is dark and textured, typical of an anechoic chamber.
