

Cloud Chaser is using TI CC1200, 900Mhz .

**FCC COMPLIANCE (USA)**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation.

The radiated output power of this device is below the FCC and Industry Canada radio frequency exposure limits.

The FCC requires the user to be notified that any changes or modifications made to this device that are not expressly approved by the manufacturer, may void the user's authority to operate the device.

The module and its antennas must not be co-located or operating in conjunction with any other antenna or Transmitter,
