

Re: Request for confidentiality

Applicant: Sensorist ApS

FCC ID: 2ABA5-SE20131, Model: Sensor 2013-1

To whom it may concern,

Permanent Confidentiality

Request is hereby submitted by Sensorist ApS to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

Circuit / Block / Technical description

Rationale for request for confidentiality:

Sensorist ApS has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

If you have questions or need further information, please contact the undersigned.
