RE: Request for Change in ID

Raspberry Pi Ltd
Original FCC ID: [2ABCB-RMC2GW4B52](#)
Original Approval Date: [10/08/2024](#)

Raspberry Pi Ltd
New FCC ID: [2ABCB-RMC20452T](#)

To Whom It May Concern:

Raspberry Pi Ltd verifies the equipment bearing the modified identification does not differ from the original equipment, there are no differences in terms of both hardware and software. The only difference is branding: the original equipment carries Raspberry Pi Ltd brand, the equipment bearing the changed identification carries Raspberry Pi Ltd brand.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

If you required any additional information, please contact us.

Regards,

DocuSigned by:
A handwritten signature in black ink that reads "Gordon Hollingworth".
