							<p>What You Get</p>  <p>Product Overview</p>  <p>Installing Your Device</p> <p>Before you install</p> <ol style="list-style-type: none"> 1. Unpack the box and check all items that are included. 2. Make sure to power on the strip light and confirm if it lights up. <p>Installing Steps</p> <ol style="list-style-type: none"> 1. Install the string lights 5-10cm away from the wall lights. 2. Clean the surface with a cloth or tissue before installing the string lights. 3. Remove the VHB gum backing from the lights. 4. Press the lights firmly against the surface for at least 5 seconds. <p>5. Secure each string light with 4 screw clips.</p>  <p>6. Connect two string lights using the waterproof connector and screw them in place.</p>  <p>7. Securely screw the waterproof connector cap onto the last section of string lights.</p>  <p>Device Resetting</p> <p>Press and hold the Power button for 5 seconds within one minute after powering on the device. When the device breaths in blue light, it will start to restore the factory settings. When the light changes to rainbow streamer, it means that the device has been successfully reset.</p> <p>*When connecting the device to a new phone, you need to reset the device.</p> <p>Pairing Your Device with Yeelight Fun App</p> <ol style="list-style-type: none"> 1. Download the Yeelight Fun app from the app store (iOS devices) or Google Play (Android devices). 2. Ensure that the device has been powered on and reset successfully. 3. Turn on Bluetooth on your smartphone. 4. Open the app and follow the onscreen instructions to complete pairing. <p>Description of Button Functions</p>  <p>Press once to turn on the light, then press again to cycle through four colors. Long press to turn off the light.</p>
