Subject: Class II permissive change Request
FCC ID: 2ABKZ-GC791903

Granted on: 01/06/2014

To whom may concern:

Pursuant to CRF Section 2.1043, Shenzhen TongFang Information Technologies CO.,LTD requests a Class II permissive change

Change the card reader of the product.

The card reader is connected to the tablet through the earphone jack.

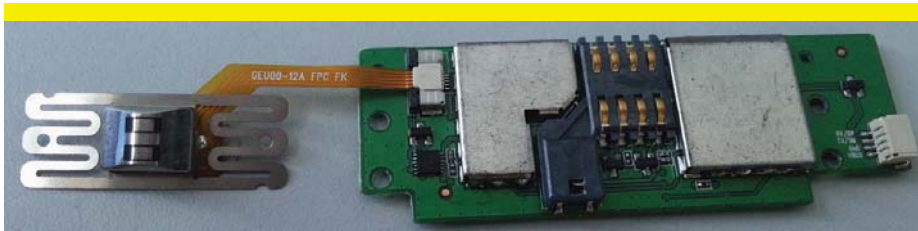

The differences between the two kinds of card reader:

1. The size and shape of the two kinds of card reads readers are different.
2. The new card reader replaced to the previous card reader, and the new card reader has the Europay Mastercard Visa function.

The front view of the previous card reader:

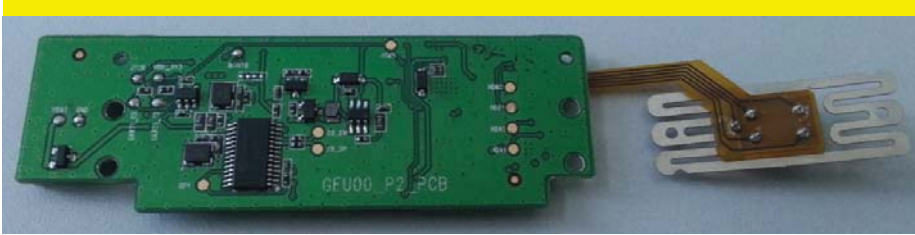

The front view of the new card reader:

The back view of the previous card reader:

The back view of the new card reader:

All of above changes are not relative to the RF circuit.
And, the change do not affect all the RF parameter, function and output power.
