CHARGING THE BATTERY

Requires a Micro-USB to USB cable (included).

Note: Be sure the computer is not in sleep mode.

1. Press and hold the **Power button** to power on the speaker.

2. Use the controls on the connected device to select an audio track.

3. Press and hold the **Pair button** to begin pairing.

4. Audio played through the connected Bluetooth device will now be heard through the speaker. Use controls on your device or the speaker to play, pause, skip, and change the volume.

5. Using a Micro-USB to USB cable (included), connect the larger **USB plug** to the **USB port** of a powered on computer or USB power adaptor.

6. Pull back the water cap and connect the smaller **Micro-USB plug** to the **Micro-USB port** of the unit. The unit will now charge.

PAIRING A BLUETOOTH DEVICE

Requires a Micro-USB to USB cable (included).

Note: Be sure the computer is not in sleep mode.

1. Press and hold the **Power button** to power on the speaker.

2. Audio played through the connected Bluetooth device will now be heard through the speaker. Use controls on your device or the speaker to play, pause, skip, and change the volume.

3. Using the controls on your Bluetooth device, scan and select **ISMW10** in your Bluetooth settings to pair if your device requests a password, enter the default password **000**.

4. Pull back the water cap and connect the smaller **Micro-USB plug** to the **Micro-USB port** of the unit. The unit will now charge.

PLAYING AUDIO WIRELESSLY

Requires a Micro-USB to USB cable (included).

Note: Be sure the computer is not in sleep mode.

1. Use the controls on the connected device to select an audio track.

2. Press and hold the **Pair button** to begin pairing.

3. Audio played through the connected Bluetooth device will now be heard through the speaker. Use controls on your device or the speaker to play, pause, skip, and change the volume.

4. When successfully paired, the **Pairing Indicator** will turn solid and an audible chime will sound through the speaker.

5. After initial pairing, the unit will stay paired unless unpaired manually by the user or erased due to a reset of the device. If your device has become unpaired or you find it unable to connect, repeat the above steps.

USING THE SPEAKERPHONE

Requires a Micro-USB to USB cable (included).

Note: Be sure the computer is not in sleep mode.

1. When a call is received, a ring tone will sound through the speaker. Press the **Play/Pause/Speakerphone** button to accept the call or reject the calling phone.

2. The incoming call received through the device will now be heard through the speaker. Speaking into the microphone on the top of the speaker during the call.

3. To end the call, press the **Play/Pause/Speakerphone** button and the call using the controls on the connected phone.

WARNING: DO NOT, UNDER ANY CIRCUMSTANCES, CHARGE THE SPEAKER WHILE IT IS IN OR NEAR WATER. ALLOW AMPLE TIME TO DRY BEFORE CHARGING AFTER USE IN WATER.

1. Use the controls on the connected device to select an audio track.

2. Press and hold the **Pair button** to begin pairing.

3. Audio played through the connected Bluetooth device will now be heard through the speaker. Use controls on your device or the speaker to play, pause, skip, and change the volume.

4. When successfully paired, the **Pairing Indicator** will turn solid and an audible chime will sound through the speaker.

5. After initial pairing, the unit will stay paired unless unpaired manually by the user or erased due to a reset of the device. If your device has become unpaired or you find it unable to connect, repeat the above steps.

Bluetooth Speaker

User's Guide for Model No. ISMW10

FCC ID: 2ABQAMK-S3-2EB

WARNINGS AND PRECAUTIONS

- **WARNING:** To prevent fire or shock hazards, do not expose this unit to rain or moisture.
- **WARNING:** Do not place this unit directly onto furniture surfaces with any type of soft, porous, or sensitive finish. As with any rubber compound made with oils, the feet could cause marks or staining where the feet reside. We recommend using a protective barrier such as a cloth or a piece of glass between the unit and the surface to reduce the risk of damage and/or staining.
- **WARNING:** Where the mains plug or appliance coupler is used as the disconnect device, such disconnect device shall remain readily operable.
- **NOTE:** This device uses an internal rechargeable lithium-ion battery that should last the lifetime of the device. If you suspect your battery may be dead after several attempts to charge, please contact 1-888-999-4215 for support.
- Never disassemble the unit or attempt to remove the battery as that could cause leakage of an electrolytic substance.

FCC WARNINGS

Warning: Changes or modifications to this unit not expressly approved by the party

responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B

digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide

reasonable protection against harmful interference in a residential installation. This

equipment generates, uses, and can radiate radio frequency energy and, if not installed

and used in accordance with the instructions, may cause harmful interference to radio

communications. However, there is no guarantee that interference will not occur in a

particular installation. If this equipment does cause harmful interference to radio or television

reception, which can be determined by turning the equipment off and on, the user is

encouraged to try to correct the interference by one or more of the following measures:

• Reorient or relocate the receiving antenna.

• Increase the separation between the equipment and receiver.

• Connect the equipment into an outlet on a circuit different from that to which the receiver

is connected.

• Consult the dealer or an experienced radio/TV technician for help.

FEATURES

Built-in Bluetooth speaker

Wireless range: 60 feet

IPX7 water resistant

Built-in microphone for hands free

speakerphone operation

Micro-USB port for battery recharge

Battery life: approx. 4 hours

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference
that may cause undesired operation.
