

**CRISI™**  
Medical Systems

20 January 2014

Nemko Canada Inc.  
303 River Road  
Ottawa, Ontario, Canada  
K1V 1H2

IC: 11742A-IPORT1  
Model Number: B1  
FCC ID: 2ABS9IPORT1

USB power connector: The Base unit uses a USB type connector to an AC adapter for recharging the internal battery. There would be no function per 15B computer peripheral requirements. The manual does not direct the user to plug the unit into a computer at any time.

Sincerely,
