

Permissive Change Request Letter

Date: March 11, 2025

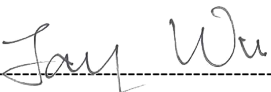

This is to request a Class II permissive change for FCC ID: **2ABTU-AX210D2**, originally granted on **06/28/2022**.

The major changes filed under this application is:

Change #1: The certified module (FCC ID: 2ABTU-AX210D2; model: AX210D2W) is integrated into a new platform (Product: Rugged Tablet, Brand: RuggON, Ubiqconn, Model: LR10S).

Except for the above differences, the hardware design is identical with the original grant. Should you have any enquires or comments, please have my best attention.

Sincerely,

Jay Wu/Manager

RuggON Corporation
