

Permissive Change Letter

Date: April 17, 2025

This is to request a Class II permissive change for FCC ID: **2ABTU-FN990A28**, originally granted on **01/22/2025**.

The major changes filed under this application is:

Change #1: The certified module (FCC ID: 2ABTU-FN990A28; model: FN990A28) is integrated into a new platform (Product: TABLET PC, Brand: RuggON, Model: PX501).

Except for the above differences, the hardware design is identical with the original grant. Should you have any enquires or comments, please have my best attention.

Sincerely,

A handwritten signature in black ink that reads "Jay Wu". The signature is written in a cursive, flowing style. Below the signature is a horizontal dashed line.

Jay Wu / Manager
RuggON Corporation
