## Office of Engineering and Technology

□

**Inquiry on 06/17/2014 :**

**Inquiry:**

An applicant, Algostim, has requested long term confidential treatment of their internal photos for four of their devices. I've attached their request for confidentiality letters. They are seeking authorization under FCC Part 95 for all four devices. Based upon the justification they've provided in the attached letters, we are seeking the Commission's permission to upload the internal photos as long-term confidential exhibits.

We understand this would be a waiver to the policy stated in FCC KDB 726920 D02 v02, Item c.

**FCC response on 06/18/2014**

The confidentiality requests provided are acceptable.
