

LETTER OF ATTESTATION

Federal Communications Commission
7435 Oakland Mills Road
Columbia, Maryland 21046

January 3, 2020

To Whom it May Concern:
We attest to the following:

This is a letter of attestation to confirm the understanding of the requirement specified in Section 15.407(j):

"Operator Filing Requirement: Before deploying an aggregate total of more than one thousand outdoor access points within the 5.15-5.25 GHz band, parties must submit a letter to the Commission acknowledging that, should harmful interference to licensed services in this band occur, they will be required to take corrective action. Corrective actions may include reducing power, turning off devices, changing frequency bands, and/or further reducing power radiated in the vertical direction. This material shall be submitted to Laboratory Division, Office of Engineering and Technology, Federal Communications Commission, 7435 Oakland Mills Road, Columbia, MD 21046. Attn: U-NII Coordination, or via Web site at <https://www.fcc.gov/labhelp> with the SUBJECT LINE: "U-NII-1 Filing"."

If you have any further questions or need additional information, please feel free to contact us.

Sincerely,

A handwritten signature in black ink that reads "David Stiff".
