

This image shows the internal components of a smartphone, laid out on a blue surface. A ruler is visible at the top and bottom of the frame, indicating measurements in millimeters. The main board is populated with various components, including a large central processor chip, memory chips, and a battery area. Two red rectangular boxes are drawn on the image: one on the left side, highlighting the battery area, and one on the right side, highlighting the main board area. The battery area is labeled 'U1 MAINBOM, V1'. The main board area contains several chips, including a large central processor chip labeled 'M88888888' and 'M88888888'. The battery area is also labeled 'U1 MAINBOM, V1'.
