

SBO Hearing A/S

Label Specification

The model KE_AU5_NXTCIC is label exempted in both US and Canada with respect to the FCC ID, IC and HVIN, due to the small form factor (19.4 x 11.3 x 6.6 mm), the model will be labeled both in the IFU and on the packaging label.

FCC ID: 2ACAH-AU5NXTCIC
IC: 11936A-AU5NXTCIC
HVIN: KE_AU5_NXTCIC

The model is designed for full encapsulation, making the internal components inaccessible. Please see external pictures exhibit.

For FCC ID and ISED number labeling please see user manual exhibit.

Packaging label examples are shown below.
