Re: Attestation Letter in Connection With the Application for FCC ID No. 2ACBD-0610, Model No. PT346SK

To whom it may concern:

Fleisher Gromes LLC and its affiliated companies (“Gromes”) is seeking equipment authorization for its device with the FCC ID No. 2ACBD-0610 (“Device”). In connection with such application, Gromes hereby attests that our Device meets the following conditions required to place the label in a user accessible area instead of the exterior of the Device:

- The Device is a handheld.
- The FCC identifier and the documentation directing the user to find the FCC label will be visible at the time of purchase.
- The label will be placed in the battery compartment and the batteries will not be installed while marketing the Device.
- The battery compartment will not require any special tools for access, and the FCC label will not be placed on a removable part of the battery compartment.

Please contact us if you have any questions.

Best,

Rachel Meyer
