

BRCK, Inc
www.brck.com

Model No. : BRCKv1 **Serial No. :** 00101xxxxxx

Charging Voltage (DC) : 5V - 18V, 100mA - 4A

Capacity : 8000mAH Lithium Polymer Battery

"If it works in  it will work anywhere"

Designed in Nairobi Kenya, Manufactured in the USA

Contains FCC ID: NBZNRM-MC545 **Contains IC:** 3229A-MC54

FCC ID:2ACBL002725001
IC:2ACBL002725001

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.
