Attention: Application Examiner

RE: Request for Confidentiality
Applicant: Apollo America, Inc
FCC ID: 2ACE9-51000300

To Whom It May Concern:

Request is hereby submitted by Apollo America to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Schematics**
- **Detailed Block Diagrams**
- **Detailed Operational/Functional Description**

Apollo America, Inc has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

A handwritten signature in blue ink, appearing to read "Andrew Frost", is written over a faint, larger blue ink signature that is partially visible in the background.

Andrew Frost
Vice President, Engineering
Apollo America, Inc
