

Solder Board-Component View 7	 A photograph of a green printed circuit board (PCB) component, labeled '7', placed on a blue textured surface. The component is rectangular with various electronic components, including a central integrated circuit (IC) and several smaller components. It is positioned next to a black ruler with white markings, showing dimensions in millimeters. The ruler is oriented vertically, with the component's width corresponding to the 10-20 mm range and its height corresponding to the 10-20 mm range.
Solder Board-Component View 8	 A photograph of a green printed circuit board (PCB) component, labeled '8', placed on a blue textured surface. The component is rectangular and appears to be a bare board or a board with minimal components. It is positioned next to a black ruler with white markings, showing dimensions in millimeters. The ruler is oriented vertically, with the component's width corresponding to the 10-20 mm range and its height corresponding to the 10-20 mm range.
