

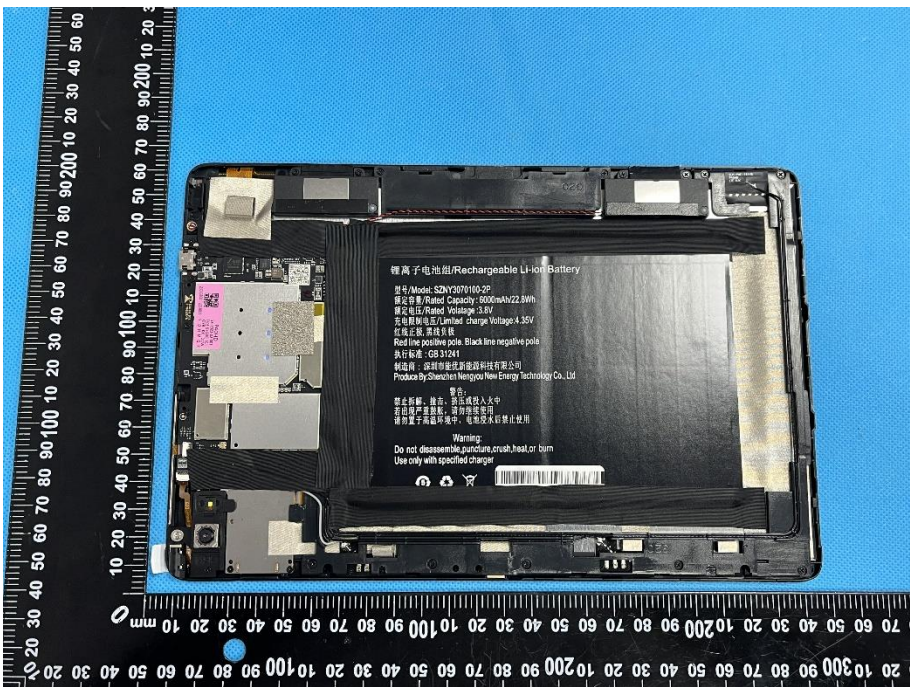

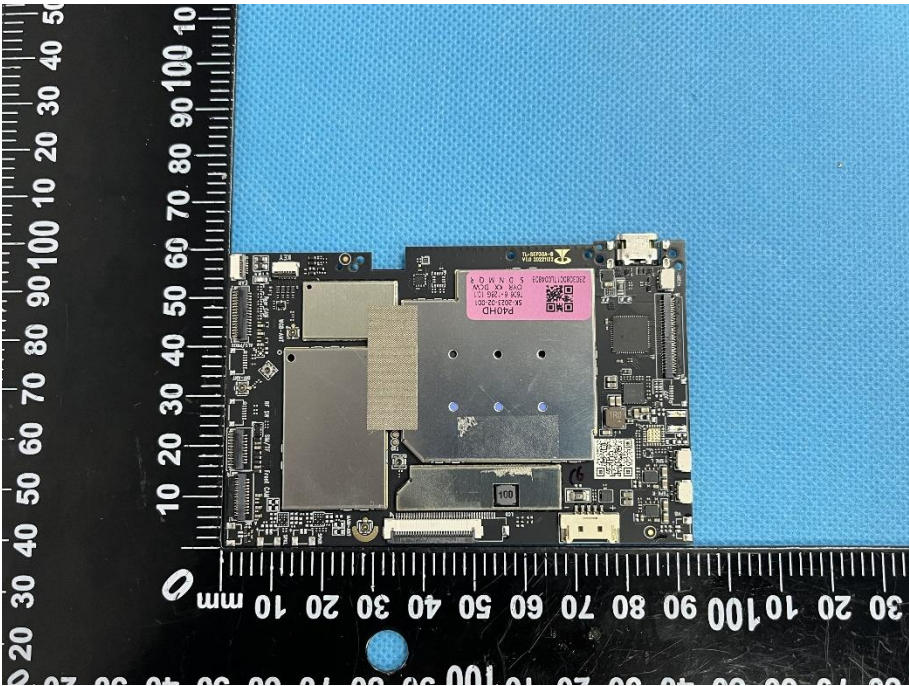

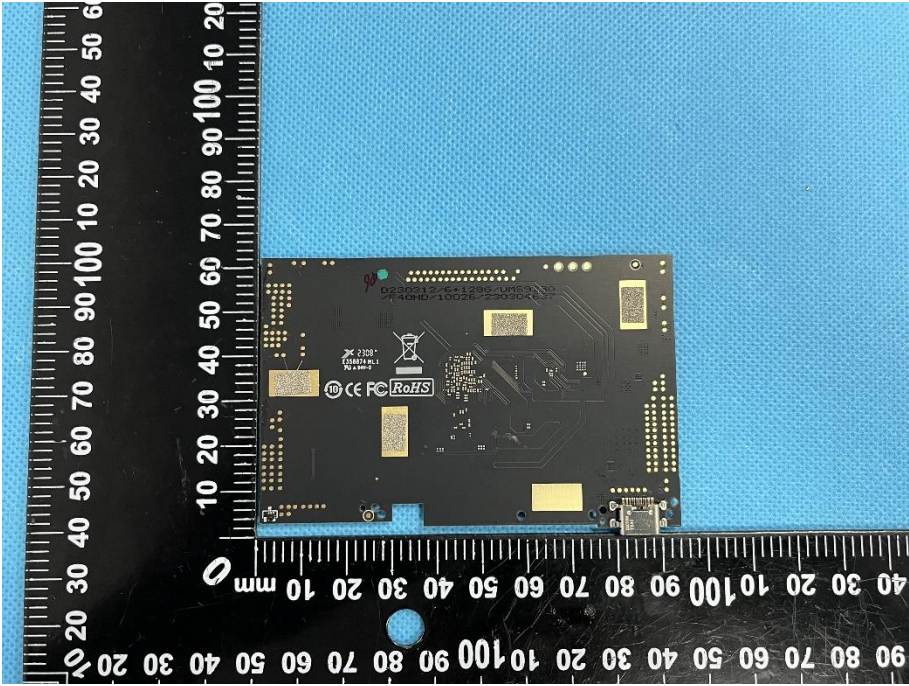

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

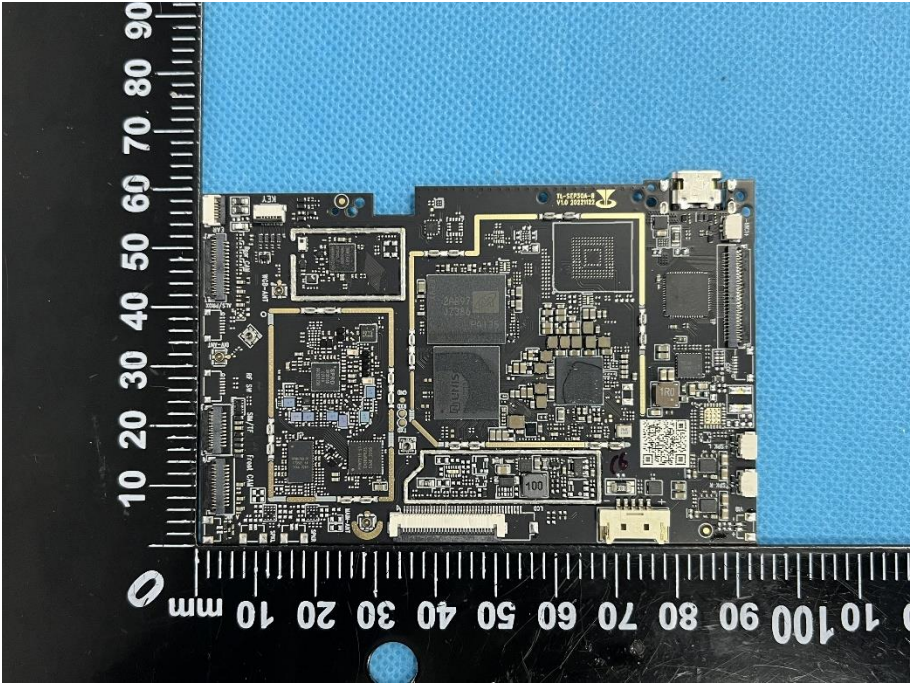

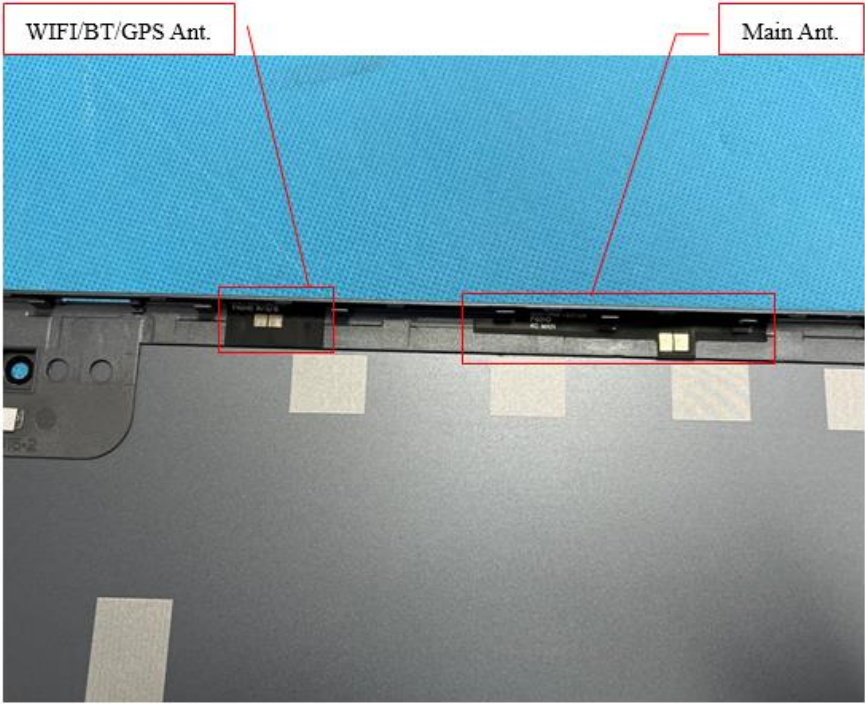

EUT Housing and
Board View 1

EUT Housing and
Board View 2

Solder Board-Component View 1	 A photograph of a rectangular electronic component, likely a solder mask or a small PCB, placed on a blue textured surface. The component is dark with various components and a pink label. A black ruler with white markings is positioned vertically to the left of the component, showing measurements from 0 to 100 mm. The component is oriented horizontally, and the ruler is placed vertically next to it for scale.
Solder Board-Component View 2	 A photograph of the same electronic component from a different angle, showing the underside. The component is dark with various components and a pink label. A black ruler with white markings is positioned vertically to the left of the component, showing measurements from 0 to 100 mm. The component is oriented horizontally, and the ruler is placed vertically next to it for scale.

Solder Board-Component View 3	 A photograph of a circuit board component, likely a mobile phone motherboard, showing various electronic components and solder joints. The board is placed on a blue textured surface. A ruler is visible on the left side, indicating dimensions in millimeters (0 to 90 mm).
Antenna View 1	 A photograph showing the antenna components of the device. Two red boxes highlight the antenna locations, labeled "WIFI/BT/GPS Ant." and "Main Ant." The background is a blue textured surface.
