39497	AIRCURVE 11 ST CAN
39498	AIRCURVE 11 ASV CAN
51400	AIRCURVE 11 ST NORTH AMERICA

2. External Photographs

View	Photographs
Front View	 A photograph of the ResMed AIRCURVE 11 CPAP machine from a front-three-quarter perspective. The device is white with a black power button on top. A large black rectangular area, likely a screen or sensor, is on the front. The ResMed logo is visible on the side. A grey reservoir is attached to the right side, with a 'MAX' fill line indicated. The machine is sitting on a light-colored wooden surface.

View	Photographs
Rear View	 A photograph of the rear of the AirCurve 11 ASV device. The device is white with a grey front panel. A large circular port is visible in the center. Above the port is a red label that reads "NOT FOR PATIENT USE". Below the port is a power button and a USB port. The device is resting on a wooden surface.
Left Side View	 A photograph of the left side of the AirCurve 11 ASV device. The device is white with a grey front panel. The front panel features the "AirCurve 11 ASV" logo and a large number "11". The device is resting on a wooden surface.
