V. Charge Method

Plug the power cord into the unit's [USB] jack and the other end of the USB into the computer's USB port, or connect the charger interface standard 5V 500mA , the charge of " Red Light" , full of " red light" off. The machine built overcharge protection circuit can be connected to a computer or charge for a long time , about three hours to fully charge the battery ; battery life every time the volume due to the use of time varies .

Six , low battery

When the battery low occurs , the system will automatically shut down , then please charge ; if the machine is not used for a long time , at least once a month charge , you can protect the battery to extend battery life.

Seven , non- Bluetooth audio cup head soaked , try to use a wet cloth to clean wrung Bluetooth speaker parts ; water if not careful , please promptly after the power off and dry it .

Eight, glass with water level calibration MAX words, please don't over, such as over a cup of inverse head will squeeze the water out, easy to soup

Nine , technical specifications

Supported models ; Android 4.3, IPHONE5

Output Power: 3W Working Voltage : 3.7V

Frequency Response : 100Hz-18KHz

SNR : $\geq 80\text{dBA}$

Distortion: $<1\%$

Audio input: Bluetooth, Computer

Support MP3: bit rate , 32Kbps-320Kbps

Speaker Unit : 52mm, double magnetism, 16 core , 4Ω

Input Power : Built-in polymer rechargeable battery or external DC5V

600mAh 3.7V

Adjusting: buttons adjust input sensitivity : $450 \pm 50\text{mV}$

Weight:380g/420g

Size:80*80*215mm

Ten , Troubleshooting

1, Q: boot automatically shut down ?

A: battery , please charge , recommended charging two hours before use.

2, Q: Play flash blue lights have been shut down or restart automatically after ?

To make it easy for you to experience products, we are equipped with detailed instructions for use, which you can get information about the product introduction, usage and other aspects of knowledge, when you use the machine read the instructions carefully before, if typographical errors or translation hope customers understand mistakes.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC RF Radiation Exposure Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

End users must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction
