

Re: Label Exemption Request for North Inc. TL1B

To Whom it May Concern:

Applicant: North Inc.
FCC FRN: 0023640295
FCC Grantee Code: 2ACKV
ISED Company Number: 12013A

We would like to request the movement of the FCC ID and IC ID into the User's Manual and Product Packaging for this product based on the details provided below.

Model: TL1B
HVIN: Loop
Proposed FCC ID: 2ACKV-TL1B
Proposed IC: 12013A-TL1B

This product's small size presents a challenge for on-product markings. The product is a wearable ring with a joystick function on the ring face. Total dimensions for the product are pictured in Appendix A, attached. We have found that similarly-sized products, such as FCC ID 2AI6HM001, IC 21770-M001 have been exempt from labelling.

Pursuant to FCC § 2.925(f) and § 15.19(a)(5) and ISED RSP-100 §3.1, we would propose moving the product identifiers into the User's Manual and Product Packaging instead of marking the product directly. Thank you in advance for your consideration.
