

Annex B.iii. Photograph: Test Setup Photo

 A photograph showing a wooden table in a test chamber. A device is connected to the table via a cable. A power source and other equipment are visible on the floor to the left.	 A photograph showing a side view of the conducted emissions test setup. A white rectangular device is on the table, connected to a power source and other equipment.
Conducted Emissions Test Setup Front View	Conducted Emissions Test Setup Side View
 A photograph showing the radiated spurious emissions test setup below 1GHz. It consists of a large, white, rectangular metal frame with a grid of circular ports. A device is mounted on a stand inside the frame.	 A photograph showing the radiated spurious emissions test setup above 1GHz. It consists of a large, white, rectangular metal frame with a grid of circular ports. A device is mounted on a stand inside the frame, with a clear plastic cover over it.
