1. Per Question 1 paragraph B of KDB 996369 v01r04 (copy attached), an applicant can only file for a change in FCC ID for a certified module if they have written permission from the original Grantee. The written permission from the original Grantee shall be filed as a Cover Letter exhibit with the change in FCC ID application and shall be signed or endorsed by an authorized representative of the original Grantee (Phillip Masters), as shown on the attached original FCC Grant. Please address.

***Zenner Response: The original grantee, Datamatic, Ltd is now bankrupt. All matters regarding Datamatic, Ltd are addressed through the Bankruptcy Trustee who has full authority to act on behalf of the Trust. The original officers no longer have authority over matters concerning Datamatic, Ltd. The transfer letter was signed by Linda Payne, the Court-appointed Trustee for Datamatic, Ltd.***
