

CRAIG®

BLUETOOTH® STEREO HEADSET

Owner's Manual

PLEASE READ BEFORE OPERATING THIS EQUIPMENT.

Model: CBH511

FCC INFORMATION:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide residential protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on the circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE:

Changes or Modifications not expressly approved by the party responsible could void the user's authority to operate this device.

Location of Controls

1. ►► Skip forward Button

Battery Recharge

The unit has a built-in rechargeable Li-polymer battery , recharge it before use as follow:

1. Connect the unit to the computer or any USB Charger by the supplied USB cable through the Mini USB port.
2. During charging , the Red indicator will light. When finished, it will turned off.

Notes: Your battery will last longer if you follow these simple guidelines for caring for and storing it.

- A. For first time charge, charge it approximate 12 hours.
- B. Recharge and store the device within the temperature range of 5°C~35°C (40°F~95°F).
- C. Do not overcharge (longer than 24 hours). Excessive charging or discharging may shorten the battery's life.
- D. Battery life naturally shortens slowly over time.

Operation

In first time use or re-pairing to new BT device, pairing the unit to external BT device as below:

1. Slide the ON/OFF Switch to ON position. Blue indicator will light and blinking .
2. Power on the external BT device and enter to searching mode. Start pairing as the on screen instructions on the external BT device. After paired, the Blue indicator will stop blinking. (For details, pairing procedures, please refer to the user's manual of your BT device).

Notes:

- ~ When the external BT device searched the unit, our model number "CBH511" will appear on the display of external BT device.
- ~ Pairing code "0000"or "1234" may need to enter.
