RE: FCC Permissive II Change Request for Company: ASKA ELECTRONICS CO., LIMITED FCC ID: 2ACXHF6

1. We are submitting an application for a class II permissive change to the FCC approval of the Company name: ASKA ELECTRONICS CO., LIMITED, product description: Bluetooth headset (FCC: 2ACXHF6, Original Grant Date: 11/04/2015). The transmitter module and circuit are the same, it is only changed shape of the ear shell and color of the buttons. We tested radiated emissions.

Here are the changes:
