

Change in FCC identifier authorization letter

Issued by: Quectel Wireless Solutions Company Limited

Addressed to:

Federal Communication Commission

Equipment Authorization and Evaluation Division

7435 Oakland Mills Road

Columbia, MD 21046, USA

Subject: Authorization for a Change in FCC ID from Original Equipment Authorization
Original FCC Name of Grantee: Quectel Wireless Solutions Company Limited

To whom it may concern,

We, **Quectel Wireless Solutions Company Limited**, the original grantee and manufacturer of the certified radio frequency module with FCC ID: XMR202212EG25GL hereby grant authority to **Jinan USR IOT Technology Limited** to utilize the existing FCC certification and reference all applicable test data and exhibits from our original grant (FCC ID: XMR202212EG25GL) for the purpose of obtaining a new FCC equipment authorization under their company name.

This authorization applies specifically to the following products:

4G LTE Module:

Original FCC Identifier: XMR202212EG25GL

Product Model Number(s): EG25-GL

We confirm that **Jinan USR IOT Technology Limited** will integrate the above-mentioned module into their host product without any modifications to the certified RF circuitry of the module itself. The operational conditions (e.g., antenna configuration, power supply) of the module within the host device will remain within the parameters originally approved under FCC ID: 2ACZO-USR-M300.

Therefore, the original test report(s) and data remain valid and applicable for the certification of the host end product developed by **Jinan USR IOT Technology Limited**.

We hereby authorize **Jinan USR IOT Technology Limited** to submit all necessary test reports and exhibits from our original certification (FCC ID: XMR202212EG25GL) as part of their application for a new FCC Identifier (FCC ID: 2ACZO-USR-M300) for their host product.

Sincerely,
