10. HOLD 3 seconds to control

PAIRING WITH A BLUETOOTH DEVICE

1. Power on the speaker by turning the "Power Knob" to the right. A sound will be played to show connection of the Speaker to the Device.
2. ON your Mobile device navigate to settings: > Bluetooth> Search/ Scan for TBT5800 and select it.
3. Some mobile devices may confirm if you want to connect to TBT5800, select "YES" or "NO" to complete the pairing process. If your mobile device prompts you to enter a password, please enter 0000.
4. The Bluetooth speaker will automatically reconnect to your mobile device when it is powered on and in Bluetooth range.

CONNECTING WITH OTHER BLUETOOTH DEVICES

The speaker can only be connected to one Bluetooth device at a time. To pair the speaker to a different device (other than the device initially paired with), you must first close the initial Bluetooth connection on the first device, either by shutting off the Bluetooth function or if the device is out of range, it will automatically disconnect. Then proceed to pair with the desired device using the above steps.

CHARGING

Attach the included Micro USB Cable (smaller end) into the "Micro USB Charging port" of the speaker and plug the other end of the cable into a USB charger or USB port on your PC. If the battery is completely dead, it will take up to 2 hours to fully charge the device.

-The "Charging indicator light (Red)" will illuminate when the unit is charging.

When charging is complete the "Charging indicator light (Red)" will shut off.

FCC STATEMENT

DECLARATION OF CONFORMITY WITH FCC RULES FOR
This device complies with the Federal Communications Commission (FCC) Rules, Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Federal Communications Commission Notice

This equipment has been tested and found to comply with the FCC Rules for Class B digital devices, pursuant to part 15 of the FCC Rules. These devices are designed to provide a reasonable protection against harmful interference in a residential installation. This equipment must not be installed and used in accordance with the instructions, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause interference to radio or television reception, the user is advised to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the distance between the equipment and the receiver.
- Connect the equipment to an outlet on a circuit different from

that to which the receiver is connected.
If you cannot eliminate the interference, you should consult the dealer or an experienced radio/TV technician for help.
FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

WARRANTY

Bayt Home Automation Corp. ("Bayt") warrants to the original purchaser of this Tech2 product that the product shall be free of defects in design, assembly, material, or workmanship. Bayt warrants the Tech2 product for one (1) year for devices bought in U.S.

Product Warranty Bayt will repair or replace, at its option and free of charge (except for shipping charges for the product) any defective Tech2 product. Bayt reserves the right to discontinue any of its products without notice, and disclaims any limited warranty to repair or replace any such discontinued products. In the event of a product discontinuation, Bayt may offer the user a refund or a credit toward the purchase of another product in an amount equal to the purchase price of the product as evidenced on the original purchase receipt if discontinued by its natural use or offer a similar product at Bayt's discretion. No warranties will be offered for products discontinued by Bayt for reasons other than the product for inspection. No warranties will be honored if Bayt

determines that the product has been improperly installed, damaged, or misused. This warranty does not cover damage caused by earthquake, war, vandalism, theft, normal use wear and tear, erosion, depletion, obsolescence, abuse, damage due to low-voltage disturbances (i.e. brownouts or sags), non-authorized program, or system equipment modification or alteration.

Bayt reserves the right to review the damaged Tech2 product. All costs of shipping the Tech2 product to Bayt for inspection are the sole responsibility of the purchaser. Bayt reserves the right to inspect the product and, at its discretion, an equipment repair facility to inspect the product to and repair such product. Any cost of the estimate or shipping the product to and from the repair facility and the cost of the repair will be the responsibility of the purchaser. Bayt reserves the right to refuse to accept the product for repair until the claim is finalized. Whenever claim are settled, Bayt reserves the right to be subrogated under any existing insurance policies the purchaser may have.

THIS WARRANTY CONTAINS THE SOLE WARRANTY OF BAYT. THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND SUCH IMPLIED WARRANTIES, IF ANY, ARE LIMITED IN DURATION TO THE TERM OF THIS WARRANTY. Some states do not allow limitations on how long an

implied warranty lasts, so the above limitation may not apply to you. IN NO EVENT SHALL BAYT BE LIABLE FOR INCIDENTAL, SPECIAL, DIRECT, INDIRECT, CONSEQUENTIAL OR MULTIPLE DAMAGES SUCH AS, BUT NOT LIMITED TO, LOST REVENUES OR PROFITS ARISING OUT OF THE SALE OR USE OF ANY BAYT PRODUCT. BAYT'S WARRANTY DOES NOT COVER DAMAGE TO OTHER EQUIPMENT, WHICH MAY VARY FROM STATE TO STATE. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL, CONSEQUENTIAL, OR OTHER DAMAGES, SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.
