

STEP 7 - Invite Friends & Family

1. Select the friends button.
2. Enter friends or families email address or phone number.
3. Confirm you want to add them as a friend.
4. Friend or family will receive an email with a link to the CloudPets App and to register their own account.

Reset/Troubleshooting

1. To Reset, hold both paw buttons down simultaneously (at the same time).
2. While holding the paw buttons turn the Power button **OFF** and back **ON**.
3. Heart light will turn on and go solid for 2 seconds.

Please go to www.cloudpets.com for additional instructions and troubleshooting.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

4**BATTERY SAFETY INFORMATION**

- Only batteries of the same or equivalent type as recommended are to be used.
- Batteries are to be inserted in position according to polarity.
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Dispose of batteries safely and correctly
- Remove batteries if the toy will not be used for a long period of time.
- Exhausted batteries are to be removed from the toy.
- The supply terminals are not to be short circuited.
- Do not use rechargeable batteries.
- Non-rechargeable batteries are not to be recharged.
- Batteries should be replaced under adult supervision.
- Do not dispose of batteries in fire.
- Different types of batteries are not to be mixed.

Please read carefully with a parent or guardian, parental supervision required. Read and keep all packaging for future reference. Colors may vary. Please remove all packaging attachments, and any other components which are not part of the toy before giving to a child.

BATTERY RECYCLING INFORMATION

Help the environment by disposing of batteries responsibly. The wheeled bin symbol indicates that batteries must not be disposed of in domestic waste as they contain substances which can be damaging to the environment and health. Please use designated collection points or recycling facilities when disposing of batteries.

**INSTRUCTIONS****INSTRUCTIONS****STEP 1 - Insert Batteries**

1. Remove battery cover.
2. Insert 3 'AA/LR6 batteries. (not included)
3. Turn power to "ON" position.
Note: When the toy is powered on correctly the heart will flash 2 times.

**STEP 2 - Download Apps****iOS App on the App Store**

1. Go to App store on your device.
2. Type CloudPets.
3. Download Free App.

**Apple Devices Supported**

iPhone 4S and later, iPad 3 and later, iPad Mini, and iPod 5 and later.

Android App on Google Play

1. Go to App store on your device.
2. Type CloudPets.
3. Download Free App.

**Android Devices Supported**

Most Android Devices supporting Bluetooth 4.0 Technology. Device must have Android 4.2.2 or later.

STEP 3 - Set Up Account

1. Open App once downloaded.
2. Enter valid email address.
3. Enter Password.
4. Press "Create Account" button. *Note: Account will be created and a verification email will be sent to you.*

1**STEP 4 - Connect to Toy**

1. Once Account is verified press the Login button.
2. Verify if you want to send your account key to toy and press yes. *Note: if the toy already has a key, it can be reset. Refer to Reset/Troubleshooting toy.*
3. The toy is connected when the button on the upper left hand corner is green. If the button is red, follow the instructions on the CloudPets App to connect the toy or go to www.cloudpets.com for more instructions.

STEP 5 - Play Features

Go to CloudPets App for:

- Messaging Features
- Toy Interactions
- Games
- Stories

Ensure your toy is connected (showing the green button) and follow the App instructions. For more support go to www.cloudpets.com.

Messaging Feature

1. Make sure you have a supported device.
2. Ensure that your bluetooth is turned "ON" in your settings.
3. Ensure that your device is at all times within 10 meters (30 feet) from your toy.
4. Friends/Family can connect to your CloudPets App through our CloudPets Cloud.

2**How it works!**

Note: You will receive notifications when messages are received from friends or family. Ensure that your CloudPets App is on and that your device is within 10 meters (30 feet) from your toy.

STEP 6 - Send, Listen, & Record Messages

1. Follow the CloudPets App for instructions to send a message.
2. When the heart blinks, your CloudPet has received a message. Press the left paw (blue button) to hear your message.
3. Once the message has played you can answer the sender by pressing the right paw (red button). The heart will blink while you record your message. Press the red button again to stop recording. This automatically sends the message!
4. The App will inform the sender when they have received a message from the CloudPet. They can listen to the message on their smart device and send a new message in reply.
