Turn on TLink

Hold the middle button down on the device for 5 seconds to turn it on. You should see the TLink Logo appear as the device boots up.

Smartphone Bluetooth

Turn on Bluetooth for your smartphone from the iOS or Android system settings.

Download Smartphone App

Download the official TLink app for your respective smartphone by visiting <http://go.golftlink.com>

Open TLink App

After turning on Bluetooth on your smartphone and installing the TLink App, open the app up and select “I already have a device” and then “Sign up”.

Bluetooth Pairing

Once you press “Sign up”, the app will search for your TLink and will then display the device once found. It will be displayed as “TLink XXXXX” where XXXXX is the unique device number given to your TLink. It is located on the back of your TLink device. Select your TLink Device.

Creating An Account

Enter your information to make an account. Follow the rest of the steps on screen to complete registration. Your TLink will be officially registered once you have successfully created an account.

Play Golf

Once you are finished entering your user information, you will be taken to the “TLink Hub”. Select “Play Golf” and choose your favorite app to start using the TLink.

Charging TLink

Attach the micro-USB end of the TLink USB charger cable into the TLink. Plug the other end of the cable into a USB port on a computer, laptop or USB wall charger. To obtain a full charge, leave TLink connected for at least 1 hour.
