RE: Cover Letter

To Whom It May Concern:

This letter serves as an official request for certification for FCC ID: 2AD7T11117060601.

The Sonitor Sense™ SmartBadge™ tags are used as a part of Sonitor's Real Time Locating System. They can be used to track persons and assets.

The Sonitor Sense™ SmartBadge™ Tag model numbers covered by this request are:

- L422
- L432
- L433

All models are electrically identical. The differences between models are the color of the buttons and pull bridge switch generating a button press signal in model L433.

**The scope of the request**

The scope of the request is to certify the above-mentioned products according to the SAR requirements of FCC rules part 2.1091.
