Equipment Authorization Division
Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

FCC ID: 2AD7T1118051701

Product Name: ultraBeacon™ INF-C322

Request for long term confidentiality.

Pursuant to Sections 0.457 and 0.459 of the Commission's rules, we hereby request that the following Sonitor Technologies AS documents are held confidential (long term):

- Schematics
- Block diagram
- Bill of Materials/Part lists (BOM)
- Operational Description
 - Contains detailed design information that is a trade secret and must be held confidential.
- Internal photos
 - The internal pictures show details of the product design that are trade secrets.
 - All sales and distribution of the products is under an NDA that restricts the disclosure of the information. Examples of the NDA documents are provided.
- User Manual
 - All sales and distribution of the user manuals under an NDA that restricts the disclosure of the information. Examples of the NDA documents are provided.
 - The user manual is only available via a Partner portal, a web-based portal with personal log in. Usernames and passwords are only granted to those parties who have signed the NDA.

The ultraBeacon is produced under license agreement with Forkbeard Technologies AS.

These materials contain trade secrets and proprietary information and are not customarily released to the public. The public disclosure of this information might be harmful to the company and provide unjustified benefits to our competitors.

Sincerely,

Hanna Tuominen
Technical QA Manager
