

EXTERNAL PHOTOS INF-C361 AND INF-C371

LIST OF REVISIONS

Version	Date	Status / Change description
01	2024-03-05	Initial version

Figure 1: Photo of INF-C361 and INF-C371, front.

Figure 2: Photo of INF-C361 and INF-C371, back. The only difference for INF-C361 is that “INF-C371” will be replaced with “INF-361” on the label.

Figure 3: Photo of INF-C361 and INF-C371, showing the DC inlet uncovered (left) and covered (right), as explained in the User Manual.

Figure 4: Photo of INF-C361 and INF-C371, showing the side with the label for the serial number. The only difference for INF-C361 is that “INF-C371” will be replaced with “INF-361” on the label.

Figure 5: Photo of INF-C361 and INF-C371, showing the side with the opening mechanism.
