

EXTERNAL PHOTOS INF-C365 AND INF-C375

LIST OF REVISIONS

Version	Date	Status / Change description
01	2024-03-05	Initial version

Figure 1: Photo of INF-C365 and INF-C375, front.

Figure 2: Photo of INF-C365 and INF-C375, back. The only difference for INF-C365 is that “INF-C375” will be replaced with “INF-365” on the label.

Figure 3: Photo of INF-C365 and INF-C375, showing the POE inlet uncovered (left) and covered (right), as explained in the User Manual.

Figure 4: Photo of INF-C365 and INF-C375, showing the side with the label for the serial number. The only difference for INF-C365 is that “INF-C375” will be replaced with “INF-365” on the label.

Figure 5: Photo of INF-C365 and INF-C375, showing the side with the opening mechanism.
