***Note:** Any exhibit NOT granted Confidential status is viewable on the FCC website as soon as the Grant is issued.*

#### **Reason why the material should be withheld from public inspection:**

These documents contain detailed system, equipment description and related information about the product which Rankam VDG Industries Ltd. considers proprietary, confidential, and a custom design not otherwise available to the general public.

#### **State why the information is a "trade secret."**

Since the design is a basis from which future products will evolve, Rankam VDG Industries Ltd. considers that this information would be of significant benefit to its competitors and that disclosure would give competitors an unfair advantage in the marketplace.

"Trade secret" information is information which is not generally known or reasonably ascertainable, by which a business can obtain an economic advantage over competitors. The information is not normally released to any party or person outside the company.

Sincerely,
