

Prentke Romich Company

FCC Class II Permissive Change Request Letter

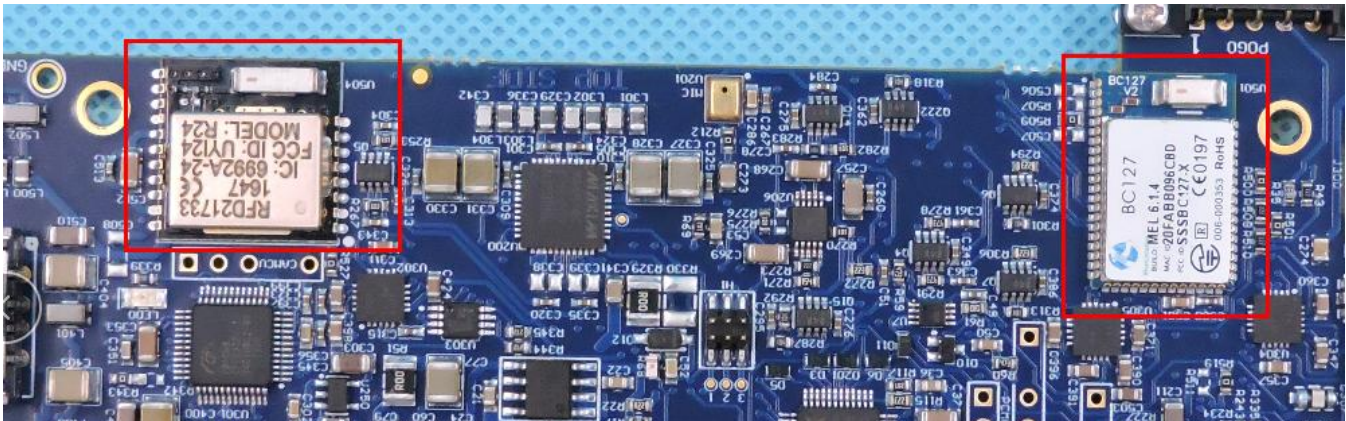

Date: 01/07/2020

To FCC:

RE: FCC Permissive II Change Request for Company: Prentke Romich Company
FCC ID: 2AD9PA-A80030PRC

We are submitting an application for a class II permissive change to the FCC approval of the Company name: Prentke Romich Company, product description: Accent 1000 (FCC: 2AD9PA-A80030PRC, Original Grant Date: 10/23/2018). The transmitter module itself has not changed. Here are the changes:

1. The function of 2.4 GHz transceiver module and BT module are opened, These two modules have been Full approve module certified. 2.4 GHz transceiver module FCC ID is UYI24, BT module FCC ID is SSSBC127-X, the physical pictures of the two modules are shown below

2. The original test results, technical information and relevant documents continue to be representative of and applicable to the new equipment. The only update RF exposure report and change the label on the device.
