|  A photograph showing a wooden table in a test chamber. On the table, there is a power strip with multiple outlets and a small electronic device connected to it. The background shows the interior of the test chamber with a metal frame and some equipment.  |  A photograph showing a side view of the conducted emissions test setup. It focuses on the power strip and the small electronic device connected to it, with the wooden table and the test chamber's interior visible in the background.  |
