Inquiry on 03/27/2017 :

Inquiry:

Can you, please, review and approve our low duty factor analysis report to qualify for SAR test exclusion as per KDB 388624 D02 and 865664 D02?

Analysis_report_28666 attached.

Thank you,

Marina Cherniavsky, Hermon Laboratories

FCC response on 04/05/2017

Please follow the guideline for SAR exclusion justification based on low duty factor in the referenced KDB and KDB 447498

Reply from Customer on 04/30/2017---

Good morning,

Would you be so kind to clarify your requirement – the calculation for Analysis test report was done per KDB 447498 (please refer to attached part of the Analysis test report) .

Thank you,

Marina Cherniavsky, Hermon Laboratories

---Reply from Customer on 05/03/2017---

Good morning,

Would you be so kind to inform of the status?

Thank you,

Marina Cherniavsky

Hermon Labs

FCC response on 05/04/2017

The calculation method is acceptable , but the veracity of the SAR exclusion justification based on the operational description of your device will be up to the TCB to decide upon review
