This writer requests a new FCC ID: 2ADCD 1001245293 based on original FCC ID: 2AAFX-PH85234863.

The date of the original grant is 06/05/2018.

The date of permissive changes is 01/15/2019.

The difference between the new product and the original product is a new label.

The original test results are applicable to the new product.

All regulatory statements are being conveyed to the user through a smartphone application. The smartphone application is the only way for the user to use the new product.

Yours sincerely,

*Orrin West*

Name: Orrin West
