Attestation to RSS-Gen Issue 4

This is to confirm that the product with IC Certification Number 12439A-3210 meets the requirement of RSS-Gen Issue 4. The above mentioned product was tested before the publication of Issue 3. The product was tested on a test site that meets the requirement of ANSI C63.4:2009. RSS-Gen Issue 4 Section 6.1 accepts test results meeting the requirement of ANSI C63.4:2009.

All other requirements for New Certification have been provided with the filling.

A handwritten signature in black ink, appearing to read "Min Xie".

Min Xie, Project Engineer
