Re.: Application on Class II permissive change

We, UHS Pty Ltd, would like to file a Class II Permissive Change on Self-contained Security Alarm System identified by FCC ID: 2ADG2ZW-6400H, Model: ZW-6400

This Permissive Change is to list a new a new co-located configuration with two certified modules

- i) the same WLAN module with FCC ID: W7OMRF24WG0MAMB
- ii) New LTE module with FCC ID: N7NHL7588 (LTE module is marketed separately)

There is no change made to ZW-6400 itself.

We certify that submitted documents properly describe the device or system for which equipment certification is sought.

Yours Sincerely,
