A photograph of a DWAM83 wireless audio module, a small green printed circuit board (PCB) component. The module is positioned horizontally next to a steel ruler for scale. The ruler shows measurements in inches (0 to 10) and centimeters (0 to 100). The module features a white label with the following text: "wireless audio module", "Model: DWAM83", "FCC ID: 2ADK-DWAM83", and "IC: 124934-DWAM83". A barcode is also present on the label. The PCB has two circular mounting holes, one on each end, and is marked with "A" and "B" near the holes. The text "SINCE 2011 DWAM83 TB" is visible on the right side of the PCB. The background is a blue textured surface.
