

INNOFlask2.0 Manual(Safety Instructions)

블랙 1도 양면인쇄 (130mm X 70mm)

Product Data	
Name of Product	Bluetooth wireless stereo Speaker
Model	INNO - FLASK2
Power	5V DC +/-5%, 1A
Size(without Cover)	138mm X 67mm X 24.4mm (W X D X H, without case)
Internal Battery	3.7V DC /750 mAh Li-ion (play 10 hours)
Power	3W X 2 at 10% THD
Connection	Micro USB (Charging) / AUX input (3.5mm)
Bluetooth	Bluetooth V4.1 Class2 EDR&BR A2DP AVRCP HSP HFP
Used Frequency	2.402 ~ 2.480 MHz
Proper Temperature	0 ~ 45°C
Manufacturer / Country	HAJEN Co., Ltd. / China

Composition of Product	
Contents of Box	<ul style="list-style-type: none"> Product User Manual Micro USB Cable for charging The USB Cable is not for telecommunication. AUX cable and power adaptor are not provided.

Before You Begin	
This Product can provide you a music enjoyment by wireless stream audio contents from your mobile devices such as smartphone MP3 player tablet of PC. You can roam around the house, office or outdoor to listen to great music since the product has a rechargeable battery inside. Also, you can directly connect the devices using AUX line out. The device shall support Bluetooth higher than ver.2.1 and A2DP.	
Pairing 1) Play /Pause /Pairing/ Device reset	1. Turn on the system. White LED will stably (0.5Hz) blink and search for the paired device (Up to 2 sec to "On" after slide the knob.)
2) Press and hold the pairing button more than 2 sec to enter pairing mode.	2. Press and hold more than 2sec: Enter to Pairing mode - Press and hold more than 2sec: Enter to Device reset mode *1 - If there is system error, use this function.
3) Select "INNO FLASK2" shown on the list of the Bluetooth device.	3) Select "INNO FLASK2" shown on the list of the Bluetooth device. if "INNO FLASK2" does not appear on the device's display, repeat "On".

Operation and Indication	
1.1 Power Knob	<ul style="list-style-type: none"> Slide Knob Power On / Off Sliding the knob up and down makes the system on and off (Up to 2 sec to "On" after slide the knob.)
1.2 Call Function	<ul style="list-style-type: none"> Play /Pause /Pairing/ Device reset Short press : Call on Short press : Call cancel Long press : Call reject
1.3 Volume Up/Down	<ul style="list-style-type: none"> Volume Up Button(+) Press and hold more than 1sec : Volume up Press and hold more than 1sec : Track up
1.4 Volume Down	<ul style="list-style-type: none"> Volume Down Button(-) Press and hold more than 1sec : Track down Press and hold more than 1sec : Track down
1.5 AUX	<ul style="list-style-type: none"> AUX source play back Connect your auxiliary source to the AUX-In jack on the right side of the Product with 3.5mm AUX cable.
1.6 Bluetooth	<ul style="list-style-type: none"> Power On: White LED (0.5Hz) will flash Pairing mode: Fast flashing (2Hz) Bluetooth paired: Always ON
1.7 Sound	<ul style="list-style-type: none"> Power ON: Beep-beep-beep tone up Power OFF: Beep-beep-beep tone down When a Bluetooth device paired: Beep-beep-beep tone up
1.8 Speaker	<ul style="list-style-type: none"> Set a speaker unit with the case as show in the figure.

Safety Instructions	
As with general electronic product, precautions should be observed during handling and use.	Do not dispose of in the household waste, as the product contains a built-in battery and should be treated and disposed according to regulations on waste disposal.
Read this instruction carefully and keep it.	Sudden movement from cold to hot environment may cause moisture condensing on the Product and degrade system performance and decrease product life span.
Heed all warnings and follow the instruction.	Protect product from direct sun light.
Do not use the Product near water.	Do not use solvents to clean the Product and keep away from dusty environment.
Clean only with dry cloth.	Do not attempt to disassemble the Product.
Do not block front or rear grilles.	AC adaptor is not supplied with the Product. Damages caused by improper power adaptors is not compensated.
Do not install near any heat sources such as stoves.	Always leave sufficient space around the Product for ventilation. Do not place Product in or on a bed, in a bag that may prevent air flow through vent openings.
Protect the power(USB) cable from pressing by heavy substances or pulled by excessive power.	Don't place lighted candles, cigarettes, etc. on the Product.
Only use on horizontal and flat place.	Be care that heavy objects do not fall into the Product.
Unplug the Product during lightning storms or when unused for long periods of time.	To completely disconnect the power input, the USB cable should be disconnected from the Product.
Contact a designated AS center when the power (USB) cable damaged, spilling liquid on Product, exposing Product to water for long time, serious damage on Product by dropping.	Use of the Product in moderate climates. Use under extreme temperature may degrade system performance and product life span.

Certification Information and Warnings	
FCC FCC ID: 2ADLCBTPKFLASK2	This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
INNO Device	This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.
INNO Device	If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures;

• Reorient or relocate the antenna.
• Increase the separation between the equipment and receiver.
• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
• Consult the dealer or an experienced radio/TV technician for help.
WARNING: This equipment may generate or use radio frequency energy. Change or modification of this equipment may cause harmful interference unless the modifications are expressly approved in the instruction manual. The user could lose the authority to operate this equipment if an unauthorized change or modification is made.

WARNING: This product contains magnets which can be harmful to pacemaker wearers.
Certified Company : INNO Device Co., Ltd.
Product Name : Wireless Equipment with specified small power.
Model : Series of INNO - FLASK2
Manufacturer/Country : HAJEN Co., Ltd. / China

CE 0197
Declaration of Conformity
We hereby declare that all essential radio test suites have been carried out and that this device is in conformity to all the essential requirement of Directive 1999/5/EC. To which this declaration relates, is in conformity with the following standards and/or other normative documents.
• Article 3.1(a) EN 60950-1: 2006+A1: 2009+A1: 2010+A12: 2011+A2: 2013 EN 62479: 2010
• Article 3.1(b) ETSI EN 301 491-1 V 1.9.2 ETSI EN 301 491-2 V 2.2.1 EN 55013: 2013 EN 55020: 2007 / A11: 2011 EN 61000-3-2: 2006 / A1: 2009 / A2: 2009 EN61000-3-3: 2006
• Article 3.2 ETSI EN 300 328 V1.8 (2012-06)
Note in some device you may be prompted to enter a passkey. The passkey is "0000". This can be different for different devices.

Troubleshooting	
Q: The Product is not turned on.	A: Make sure built-in battery is fully charged. Check that the USB cable is not damaged and USB port of adapter or PC is normal.
Q: The Product is not charged.	A: Make sure the USB cable, plug is not damaged. Check the USB cable is connected to PC or adapter USB port properly.
Q: No sound or sound is very low.	A: Make sure the Bluetooth wireless connection is correct and playback has been successfully started. Make sure the volume on your Bluetooth device is turned up.
Q: Paired device can not reconnect to the Product.	A: Delete "INNO FLASK2" from the list on your Bluetooth device. Repeat the pairing procedures again.
Q: Paired device can not connect to the Product.	A: Delete "INNO FLASK2" from the list on your Bluetooth device. Repeat the pairing procedures again.
Q: Note in some device you may be prompted to enter a passkey. The passkey is "0000". This can be different for different devices.	A: The passkey is "0000". This can be different for different devices.

Warranty	
INNO Device Co., LTD. warrants to the original retail buyer of this product, under normal use and condition, to prove the defective in material or workmanship within 12 month from the date of original purchasing. But the warranty for built-in battery is for 6 month.	This warranty gives you specific legal rights and it may vary by regions. This warranty can not be moved nor transferred to the other person.
INNO Device is not responsible for:	BEFORE AS CLAIM
• Make sure the USB cable is not damaged and USB port of adapter or PC is normal.	Properly pack your unit including supplied accessories. We recommend using the original packing materials when you return the product to AS center.
• Make sure the power(USB) cable is not damaged.	COPYRIGHT AND TRADEMARK
• Make sure the power(USB) cable is not damaged.	The copyright of the product is owned by INNO Device Co., Ltd. Without INNO Device permission, it can not be copied, modified, transferred nor saved.
• Make sure the power(USB) cable is not damaged.	Note the copyright and trademark not to be transformed to electric, mechanical, chemical, magnetic, optical or any other artificial media.
• Make sure the power(USB) cable is not damaged.	USE AND RESPONSIBILITY
• Make sure the power(USB) cable is not damaged.	The contents within this publication can be changed by INNO Device for improvement of internal design, operation, performance or reliability without prior notice. INNO Device has no responsibility on inevitable, direct, indirect and accompanying injuries by faults or omission of this publication.

제품의 제원	
기기제명	특정소음저감기기 (소리제한기기/동시송신시스템용무선기기)
모델명	INNO - FLASK2
사용 전원	5V DC +/-5%, 1A
스피커 크기	138mm X 67mm X 24.4mm (길이 X 높이 X 깊이, 케이스 제외)
내장 배터리	3.7V DC /750 mAh Li-ion (충전시간, 재생10시간)
출력	3W X 2 at 10% THD
접속단자	Micro USB (충전) / AUX input (3.5mm)
블루투스	Bluetooth V4.1 Class2 EDR&BR A2DP AVRCP HSP HFP
사용 주파수	2.402 ~ 2.480 MHz
적정 동작 온도	0 ~ 45°C
제조자/제조국가	주식회사 하전/중국
