

Annex B.iii. Photograph: Test Setup Photo

 A photograph showing a wooden table in a laboratory setting. On the table is a laptop, a red device, and some other small electronic components. To the left of the table, a blue power distribution unit (PDU) is connected to several power strips and cables. The background shows a white wall with a blue electrical outlet box.	 A photograph showing a side view of the test setup. A black keyboard and mouse are on a mousepad in the foreground. Behind them is a laptop and a red device. The setup is on a wooden table, with a white wall and a window in the background.
